

## Grades K & 1 Summer Camp 2023

Week	Dates	Theme	Description
1	5/30 to 6/2*	Freezer Treats	Make popsicles, slushies, smoothies, frozen yogurt, no-churn ice cream, no-bake cheesecake, chocolate-covered bananas, and frozen fruit with your friends, and eat your treats here for snack!
2	6/5 - 6/9	Ooey Goopy Science	Get messy making flubber, elephant toothpaste, scented soap, frozen Ooblek, monster bubbles, and glowing goop. Blow up lemons and make raisins hop. Join your friends for some silly, slimy days!
3	6/12 - 6/16	Outdoor Sports	Practice individual and team skills while playing trashcan basketball, beach ball volleyball, soccer with a monster ball, musical Gaga ball, hula-hoop Frisbee, and bucket golf. Get some exercise and have some laughs!
4	6/19 - 6/23	Big Art	Grab some friends and make artwork bigger than you are. We'll paint wall murals, build papier mache monsters, and use PVC pipe to create castles, spaceships, and whatever else your heart desires.
5	6/26 - 6/30	Water Fun	Have fun with your friends running through the sprinklers and playing water balloon toss. Make bouncing bubbles, glow-in-the-dark water, water xylophones, and a PVC waterfall wall. Bring your swimming suit and flip flops because you'll definitely get wet!
6	7/3, 7/5 - 7/7*	Outdoor Explorers	Go on hikes with your friends through our forest and fields. Practice identifying animal footprints, locating nests, and finding birds, creepy crawlies, and other forest animals. Make a solar-powered pizza-box oven and prepare your S'mores in it for our outdoor picnic. Ah, summer!
7	7/10 - 7/14	Make It Take It	Make fun projects to take home such as a rubber band car, a tie-dyed shirt, a Dubuffet paper sculpture, a tabletop foosball arena, a personal harmonica, a flying rocket, a spinning top, tinfoil people, green pennies, borax crystals, and more. Keep your masterpieces for yourself or give them away as gifts!

8	7/17 - 7/21	Clay Creations	Oh, the things you can create with clay! Grab some MakeyMakey circuits and make a working musical instrument. Get some sticks and straws and build the longest working bridge. Create a colorful coral reef to take home. Enjoy some free clay time with friends and let your imagination go wild!
9	7/24 - 7/28	Water Fun	Have fun with your friends running through the sprinklers and playing water balloon toss. Make bouncing bubbles, glow-in-the-dark water, water xylophones, and a PVC waterfall wall. Bring your swimming suit and flip flops because you'll definitely get wet!
10	7/31 - 8/4	Lego Challenge	Use Legos to build something that can catch a ball, something that is taller than you, and something that a marble can run through for 20 seconds. You may also build on your own or with your friends during Lego free time. All campers win prizes such as most creative, most detailed, and most daring.
11	8/7 - 8/11	Kitchen Experiments	Make and eat hotdog mummies, rock-candy lollipops, fizzy lemonade, edible slime, and creeping jello. Build a marshmallow tower, explode a watermelon, and turn milk into plastic. Learn, laugh, and eat along with your friends.
12	8/14 - 8/18	Water Fun	Have fun with your friends running through the sprinklers and playing water balloon toss. Make bouncing bubbles, glow-in-the-dark water, water xylophones, and a PVC waterfall wall. Bring your swimming suit and flip flops because you'll definitely get wet!
13	8/21 - 8/25	Outdoor Sports	Practice individual and team skills while playing trashcan basketball, beach ball volleyball, soccer with a monster ball, musical Gaga ball, hula-hoop Frisbee, and bucket golf. Get some exercise and have some laughs!
14	8/28 - 9/1*	Backyard Games	Join your friends for Wiffle Ball, Red Rover, Four Square, Ghost in the Graveyard, Sardines, and other fun outdoor games. We will also conduct scavenger hunts, send invisible messages, and try our hand at Morse code and Escape Room Junior. Get ready for some mind-boggling action.
