

### **Health Policies: What Your Family Can Do**

- Health
  - Check your child's temperature 30 to 60 minutes before you drop him or her off at school.
  - If we ask you to pick up your child, arrive within 30 minutes.
  - Take a look at the document called "When to Stay Home and When to Return" posted on the Health page on the website.
  - If your child has a medical condition or allergies, email the school secretary about it and turn in the appropriate forms.
- Masks
  - Wear a mask when you are in the building.
  - Teach your child (4+ years old) how to wear a mask.
  - Supply a clean mask for your child every day.
- When Inside
  - Please do not enter the classrooms.
  - To drop off forgotten lunch boxes, books, homework, etc, please label them, put them on the table outside the office, and let the secretary know they are there.
- Separation
  - If you walk past somebody, give that person 6' of clearance.
  - Do not take your child to work for Take Your Child to Work Day.
- Hygiene
  - Do not bring pacifiers to school.
  - Have your child use hand sanitizer before and after school.
  - Pack food and drinks that your child can open independently.
